Kennedy in Conference With CIA Chief

By MARVIN L. ARROWSMITH

PALE BEACH, Fla. (AP) — President-elect John F. Kennedy met with the Central Intelligence Agency chief today for a top secret briefing on the U.S. anti-Communist mission in the tense Caribbean area.

With American warships and planes patrolling the area on orders from President Eisenhower, Kennedy requested a full report on the operation and its background from CIA Director Allen W. Dulles.

They got together at 9:25 a.m. EST for a scheduled two-hour conference at the Atlantic shore home of the president-elect's parents. The advance word was that neither Kennedy nor Dulles would have any public statement on the substance of the briefing.

The session was put on the Kennedy schedule three days ago, about 48 hours in advance of Eisenhower's order to U. S. naval units to defend revolt-threatened Guatemala and Nicaragua against any Communist-led attack.

After the Eisenhower order—issued at the request of Guatemala and Nicaragua—the president-elect was reported to be expecting a detailed briefing from Dulles on the background which brought on the President's action. Kennedy declined comment on the action.

Kennedy returned to Palm Beach late Thursday night after a round of conferences—and several hours of successful deer hunting—with Lyndon B. Johnson, the vice president-elect.

Before leaving Johnson's LBJ Ranch near Johnson City, Tex., Kennedy put out a statement saying they had a profitable discussion of plans and programs for the new administration which will take over from the Republicans Jan. 20.

Johnson and Kennedy plan to meet again for more planning after the vice president-elect returns from a NATO conference in Paris. Eisenhower's action ordering U.S. warships and planes to defend Guatemala and Nicaragua from any Communist-directed attack amounted to a blunt warning to Cuba's Prime Minister Fidel Castro to keep hands off Latin American republics.

It also was warning to the Soviet Union against interference in Western Hemisphere.

As for his talks with Johnson, Kennedy arrived at the LBJ Ranch Wednesday and he and the vice president-elect conferred there for two hours.

They were up Thursday at 6 a.m. and an hour later drove off 15 miles northeast to a 1,800-acre ranch Johnson leases.

There for 7 1/2 hours on a raw, cold day with occasional rain they hunted white tail deer and, they reported, each killed two deer. Kennedy, elated but appearing a bit weary, had done some hunting previously for other game but he said it was his first time out for deer.

Chick Inspection to Be Discussed

LITTLE ROCK (AP) — Representatives of Arkansas poultry producers and U.S. Department of Agriculture officials met Thursday to discuss inspection of chickens in Arkansas processing plants.

The session was coordinated by the Amalgamated Meat Cutters and Butcher Workmen of North America which worked to have poultry inspection laws enacted.

Shirley W. Barker of Chicago, the union's poultry department director, said the talks showed "some misunderstandings and confusion" over application of the poultry inspection law.

Farm and City Celebration Nov. 18-24

Farm-City Week will be observed in Hope from Nov. 18 through Thursday, Nov. 24. It was announced today by Herbert Griffin of the Agricultural Committee of the Hope Kiwanis Club.

Highlight of the annual observance will be Tuesday when a number of Southwest Arkansas farmers will be guests of the local civic club at its noon luncheon meeting. Mr. Griffin will be in charge of the program.

Mayor Sam Andrews has announced that Tuesday will also be a parking meter holiday as part of the local observance. A number of Hope merchants are offering special prices on merchandise, as was the custom last year.

The event is aimed at promoting better understanding between farm and city residents.

Last year's observance, on a national scale, involved the active participation of more than 800 communities in the U.S. and Canada.

Farm-City Week has won the Freedom Foundation's Distinguished Service Award, which carries the same distinction in the community service field as does the "Oscar" in Motion Pictures and the "Emmie" in the television industry.

GOPs Await Recount to Challenge

By JOE F. KANE

WASHINGTON (AP) — Republican leaders in most of the 11 states where a vote recount was suggested do not plan to challenge the Nov. 8 election results.

When GOP National Chairman Thurston B. Morton proposed the recounts a week ago, he told Republican officials in 11 states to look into "purported vote frauds."

He urged investigation and whatever follow-up action was indicated.

A check today with GOP leaders in the states listed by Morton showed:

No recounts are planned in Michigan, South Carolina, Illinois, New Mexico, New Jersey, Pennsylvania or Delaware. Party officials in Nevada and Missouri were awaiting official state canvasses before making a decision.

That was also the situation in Minnesota, but any recount move there appeared doubtful. Texas GOP leaders have said they were considering a recount bid, but have taken no action.

Reported voting irregularities were being checked in some of the states.

The reaction of the state leaders came as John F. Kennedy's victory margin was cut further by late counts—making it almost certain that he would end up with less than a majority of all the votes cast.

With 1,549 precincts still out, more than 1,000 absentee ballots still to be counted, Kennedy had and southwest; low tonight near 40, 33, 68.9, 208 votes to 33, 68.4, 56.1 for central, mid to high 30s north, and mid 40s southeast, in and M. Nixon. This gave Kennedy a lead of only 184,647 out of more than 67 1/2 million votes.

Absentee ballots continued to build up Nixon's winning margin in his home state of California. Hundreds of thousands of votes for unpledged presidential electors and minor party candidates will cut further Kennedy's percentage of the national popular vote. Most of the states will not report votes for splinter parties until the official canvass. The last of these returns will not be in until next month.

Even if Kennedy winds up with less than a majority, he will of course still be the winner—bar ring an unexpected upset in the electoral vote lineup. His 300 electoral votes are 31 more than the 269 needed for election.

Court Takes L. R. Case for Study

ST. LOUIS (AP) — The 8th U.S. Circuit Court of Appeals has taken under advisement an appeal by Negroes contending that the Little Rock, Ark., School Board's use of pupil placement procedures permits continued segregation.

The court took the case under advisement Thursday after hearing arguments by attorneys for 14 Negro pupils and the board. There was no indication when a decision might be given.

Wiley A. Branton of Pine Bluff, Ark., who represented the Negroes, charged that the board has established "a governmental frame work to prevent desegregation."

The board's use of state pupil placement laws, upheld Sept. 2 by District Judge John E. Miller of Little Rock, "permits permanent continuation of racially discriminatory policies," Branton argued. It was this ruling which was appealed.

Board attorney Herschel H. Friday Jr. of Little Rock countered that the board has given "meticulous adherence to its regulations and the administration procedures regardless of race."

The 14 Negroes were among 19 who requested reassignment to integrated high schools, but were turned down by the board. Five Negroes were assigned to once-white high schools.

The pupil placement laws, previously upheld as constitutional on their face, list a number of factors for pupil assignment, but do not mention race.

The Dollarway School Board near Pine Bluff also has used the laws to assign one Negro girl to a formerly all white school.

\$134,000 School Loss at Pine Bluff

PINE BLUFF, Ark. (AP) — Loss is estimated at \$134,000 in a fire which destroyed Coleman High School for Negroes in the Watson Chapel School District near here Wednesday night.

Firemen were hampered by wind and lack of water in fighting the fire in the building, six blocks from the Pine Bluff city limits. Fire Chief Joe Edwards said the fire started in the attic.

The school housed 588 junior and senior high school students. Officials said they will be taught in other facilities.

Another of the district's schools burned last year.

Murder Trial Is Ready for Jury

BENTONVILLE, Ark. (AP) — The first degree murder trial of Henry Abercrombie, 7, of Mayville was expected to go to the jury today after completion of defense testimony.

The state rested its case Thursday after calling six witnesses to testify concerning the fatal shooting of Benjamin Phillips, 7, of Eucha, Okla., last Sept. 3. Abercrombie's home, an all-male jury is hearing the case. It is qualified to levy the death penalty. Abercrombie, testifying in his own defense Thursday, said that while Phillips was driving him home the older man bragged of his prowess with women and made remarks about Abercrombie's wife.

Department Store Sales Dip Some

ST. LOUIS (AP) — Department store sales in the 8th Federal Reserve District last week were down an estimated 5 per cent from the corresponding week a year ago. It was the third consecutive week that district sales had fallen below last year's pace.

Declines averaged 12 per cent in the St. Louis area and at Louisville, Ky., and 4 per cent at Little Rock, Ark., and Memphis, Tenn. There was no change in seven smaller cities of the district.

District sales averaged an estimated 5 per cent lower for the four weeks that ended Saturday and an estimated one percent for the year to date. It marked the first time since last May that district sales for the year had slipped into the minus column.

Publisher, Bank Robber Is Captured

SAN ANTONIO, Tex. (AP) — A country newspaper publisher and former banker arrested here Thursday on charges of robbing two Texas banks remained in jail today in lieu of \$50,000 bond.

"I have no way of making that bond," Lawrence C. Pope, 42, said when arraigned on charges of robbing the First State Bank of Thornton of \$1,744 on Nov. 5, and the Farmers State Bank of Shulenburg of \$4,800 in cash and \$11,000 in government bonds last Saturday.

Pope surrendered when FBI agents, acting on a tip from an unidentified woman, raided his motel room here.

Pope, who had been a banker in several Texas cities and a federal bank examiner before buying weekly newspapers at the small towns of Giddings and Lexington last month, told officers he threw away the pistol used in the robberies.

He said he also threw away the photographic films exposed during the holdups. Employees of the banks said the robber forced them to disrobe partly, then took pictures with a small camera before fleeing.

Council members expressed surprise to learn that the state paid the retirement fund three times what teachers contributed. Teachers pay five per cent of their salaries.

Hoyle R. Pyle, the Retirement System's executive director, was to appear before the council Thursday, but Chairman Paul Van Dalsen, Perry County representative, said he had decided the schedule was too full to permit examination of Pyle.

Fiery Wreck at Spa Kills Two

HOT SPRINGS, Ark. (AP) — A fiery two-car collision killed two persons and critically injured a third Thursday night.

Killed were Mrs. Charles R. Harris, 30, of Hot Springs and Ary W. Murphy, 45, of Bonnerdale in Hot Spring County.

The cars collided head-on on U.S. Highway 70 near the Montgomery - Hot Spring County line. In critical condition in a hospital here was Louis J. Ewing, 18, of Glenwood, driver of the car in which Murphy was riding. Mrs. Harris was alone in her car.

The Harris car was destroyed by fire. Ewing's car also caught fire, but the flames were extinguished.

Usual Russian Reaction Over Cuba Warning

By JOHN SCALI

AUGUSTA, Ga. (AP) — The White House brushed aside today denunciations from the Soviet Union and China against President Eisenhower's action in ordering U.S. warships and planes to shield Guatemala and Nicaragua from any Communist-led attack.

President's press secretary James C. Hagerty labeled Moscow's protests the kind of "Communist-type reaction" that could be expected.

"There's a very similar reaction—the words are almost the same—from Cuba," he told a news conference.

Eisenhower decided to end his Augusta vacation Wednesday after two weeks golfing and relaxing in the Georgia sun.

Hagerty said Eisenhower would spend his final Thanksgiving as president in the White House.

Mrs. Eisenhower arranged to leave Augusta today to return to Washington.

Eisenhower's move in rushing warships into the Caribbean served notice the United States will use military force to back up diplomatic protests, if need be, to stop Cuba's Fidel Castro from subverting anti-Communist countries in the Caribbean.

Eisenhower's emergency action foreshadowed similar American military help for any other Caribbean nation which might request it.

Top officials said movement of four U.S. destroyers and an aircraft carrier into the area was a blunt warning to Castro that he will not be permitted to export his leftwing revolution to other Latin American nations.

They acknowledged that the President's action carried a step further the existing policy of opposing by words what are regarded as Castro's pro-Communist maneuvers.

They compared it to warships of the 7th Fleet patrolling the waters around Formosa to discourage any Chinese Communist attack.

Instructions to fleet units dispatched into the Caribbean trouble zone, they noted, are not only to prevent but to "seek out" any Communist directed landing of men and supplies on Guatemala and Nicaraguan territory.

These orders presumably could be interpreted to allow U.S. warships and planes to smash any invasion ships or supply vessels headed toward either of the two Central American republics.

Two factors were reported to have guided the President and his top advisers in deciding on the move:

1. There seemed to be genuine reasons for fearing that pro-Castro fanatics might follow up this week's unsuccessful revolts in Guatemala and Nicaragua with new, stronger armed attacks.

2. Castro secretly has been smuggling and diverting some of his vast quantities of Communist-made weapons to leftwing groups who are plotting pro-Castro revolts throughout the Caribbean area.

Faced with this information, Eisenhower and Secretary of State Christian A. Herter jointly decided the time had come to act militarily to block Castro.

The AM&N Board of Trustees demanded Davis' resignation after a preliminary audit turned up alleged mishandling of a scholarship fund. This action later was suspended pending a complete audit.

AM&N students and many Negro groups rallied to the support of Davis, who denied any wrongdoing. Students staged several demonstrations.

The 1959 legislature appropriated \$12,500 in horse show pre-Land, 107 W. Ave. C. Beverly mums and another \$2,500 for 11th and Southland Heights. West Blamed for Viet Nam Uprising

By JOHN GRIFFIN

SAIGON, Viet Nam (AP) — Some strongly anti-Western overtones are emerging in South Viet Nam just one week after paratroopers tried to seize power in a thwarted coup. The United States, Britain and France are getting the blame for the uprising.

British Ambassador Harold Holt was reliably reported to have made a strong personal protest to President Ngo Dinh Diem Thursday night.

American diplomats were known to be equally disturbed. Diem's anti-Communist government has been hulked by U.S. aid poured in at the rate of \$250 million a year.

Holt's protest was over a handbill distributed in the name of the powerful Citizen's Anti-Reds and Anti-Communist Committee which said that during the coup attempt the insurgents and political opportunists had the help of colonialists and imperialists, American French and British.

The ambassador said this was "totally false," informed sources said.

Vietnamese charges, made on various government and private levels, follow two lines—that some "foreign elements" may have had a hand in encouraging the paratroopers to violence, and that over the past months there has been a "campaign of disparagement" against the government.

American and British authorities have been accused of giving foreign newsmen a picture of a Viet Nam suffering from authoritarian rule, Diem "family" government, and corruption.

The plan for suspension, filed Thursday by Samuel Rosenberg, school board attorney, was for time to let tempers cool and a return to segregated schools pending a decision on issues on which the board said the Supreme Court should rule.

Past and firm police action discouraged new demonstrations against integration Thursday. But police arrested 32 Negroes for various offenses Thursday night. One was charged with slapping a white man on the shoulder during a fight. Twenty two of those arrested were juveniles and seven of their number were picked up after rocks were thrown at passersby and cars.

School Outas Court Ponders Delay Proposal

By PERRY MULLEN

NEW ORLEANS, La. (AP) — A school recess for a week, starting Monday, today promised a breathing spell for New Orleans in the bitter battle over integration.

The recess was announced late Thursday night by Dr. James C. Redmond, public school superintendent. It will permit teachers to attend teacher association meetings in Baton Rouge Monday through Wednesday. Pupils will observe Thanksgiving holidays Thursday and Friday and classes will not resume until Nov. 20.

NEW ORLEANS (AP) — A three-judge federal tribunal today refused to lift orders integrating New Orleans public schools, but left the door open "for consideration" of a state request.

The judges adjourned a three-hour hearing at 1:00 p.m. (CST) and left in effect orders that have integrated two city elementary schools for the past five days.

The panel heard lengthy arguments to (1) suspend a federal court order directing integration until federal and state differences can be resolved and (2) a motion by the state of Louisiana to dismiss all federal action ending segregation in the state's schools.

The New Orleans School Board Thursday asked suspension of a federal court order directing school integration and a hearing on the motion was set for 10 a.m. today before a three-judge panel.

The suspension plea was filed after four days of tension over admission last Monday of four small Negro girls to two white schools. Unruly demonstrations sporadic violence and almost complete boycott by white students to two schools involved.

U.S. Dist. Judge J. Skelly Wright who signed the integration order, has overridden several moves by the legislature to halt racial mixing.

The three-judge panel, which includes Wright, also is expected to hear two other cases involving New Orleans schools.

One is Wright's order restraining the legislature and top state officials from interfering with the integration move. The other is a contempt citation Wright issued against Shelby M. Jackson, state superintendent of education. The judge said a school holiday ordered last Monday by Jackson, the effective date of the integration order, was contemptuous interference.

The plan for suspension, filed Thursday by Samuel Rosenberg, school board attorney, was for time to let tempers cool and a return to segregated schools pending a decision on issues on which the board said the Supreme Court should rule.

Past and firm police action discouraged new demonstrations against integration Thursday. But police arrested 32 Negroes for various offenses Thursday night. One was charged with slapping a white man on the shoulder during a fight. Twenty two of those arrested were juveniles and seven of their number were picked up after rocks were thrown at passersby and cars.

The public's generous response will be appreciated by the members. Remember — Monday night Nov. 21 from 6:30 to 8:30.

The movie industry is engaged in the business of putting beautiful frames in pictures.

Southside Assembly Service Saturday

A special service Saturday at 7:30 is planned at Southside Assembly with Evangelist and Mrs. W. H. Yarbrough as guests. The Rev. Mr. Yarbrough who is also a fine guitarist, will preach at both services.

Beef Roasts Good Buys at Markets

By THE ASSOCIATED PRESS

Beef roasts top an extensive variety of weekend specials featured by supermarkets and neighborhood groceries for pre-Thanksgiving Day meals.

The traditional holiday turkey is making a strong appearance among the meat counter specials but, of course, the big demand won't get under way until Monday.

Rib, round and chuck roasts are the big items among the beef cuts.

Other beef items getting favored treatment include steaks, veal chops and rib ends.

Pork also is getting a good play, but prices are up as high as 24 cents a pound for loin pork chops in some sections of the East.

Bargains in lamb are limited to leg and combinations in some Eastern cities.

Along the Eastern Seaboard the fish specials include cod fillet, smelt and shrimp.

Egg prices continue their climb. Large white eggs are up two to four cents a dozen over last week.

Housewives will have many varieties of newly arrived vegetables available for the Thanksgiving table.

These include Florida celery, Maine russet potatoes, California cucumbers, squash and anise, Virginia spinach, North Carolina celery and cabbage, radishes and Alabama and Ohio watercress.

Best buys among vegetables are anise, carrots, broccoli, brussels sprouts, cabbage, cauliflower, mushrooms, medium yellow onions, Florida and South Carolina radishes, sweet potatoes, Long Island potatoes, turnips and rutabagas.

Corn, eggplant, okra, peas, peppers, green Italian squash and tomatoes are expensive.

Among fruits the best buys are apples, cranberries, and emperor grapes.

Rail Request Is Before PSC

LITTLE ROCK (AP)—The Arkansas Public Service Commission Wednesday heard a Missouri Pacific Railroad request to abandon passenger service on an 80-mile branch between El Dorado and Gurdin.

The case was taken under consideration.

The railroad contended it has been losing revenue on the round trip service.

Opponents of the proposed abandonment argued that south Arkansas industrialization would be damaged if the trains were discontinued.

Satisfied With Faubus' Remarks

LITTLE ROCK (AP)—The president of the Capital Citizens Council, Dr. Malcolm Taylor, has expressed satisfaction with Gov. Orval E. Faubus' remarks Wednesday on the New Orleans integration situation.

Faubus described New Orleans developments as a "judicial dictatorship reminiscent of the judges in Hitler's Nazi Germany."

Taylor headed a group of segregationists which called on the governor Wednesday to get him to "lend moral support" to New Orleans segregationists.

The group did not get to see Faubus and did not know at the time of his remarks, made at a news conference earlier.

Faubus and his executive assistant, Arnold Sikes, said today that Taylor was contacted later by telephone and appeared satisfied with the governor's statement.

Central to Share Big Nine Crown

By THE ASSOCIATED PRESS

Little Rock Central's Tiger down a share of the Big Nine Conference title. And El Dorado could give them the whole works tonight by beating Little Rock Hall.

The Tigers trounced Blytheville 39-0 Thursday night in Little Rock for their 11th straight victory. Should El Dorado spill Hall it would end the title chances of the Warriors, who already lost once.

Central must beat El Dorado, then upset Central to gain a tie for the crown.

In other Big Nine games tonight, Hot Springs plays at Pine Bluff and Texarkana is at North Little Rock. Fort Smith hosts Little Rock Catholic High.

Stuttgart, Region 2AA title, meets Pargould tonight in its last league game, while 4AA champ Camden rests this week before facing El Dorado next week. Rogers, the 1AA champion, has finished its season.

In 3AA, Benton plays Morrilton in the top Class AA game of the week.

Barlow took the District 6B title Thursday night by beating Clarendon 62-0 for its 11th straight victory.

Central overpowered Blytheville, scoring four touchdowns in the first half. Reserves tallied twice more in the last half.

Jerry Knowles and Darrell Ward each scored two touchdowns. Knowles tallied on plunges of one and two yards. Ward scored first on a seven-yard keeper, then turned a quarterback sneak into a 22-yard scoring run.

Sophomore Dennis Masters and Robert Trammell got the last half TDs on a 26-yard scamper and a one-yard plunge respectively.

Blecher Leads State Scorers

LITTLE ROCK (AP)—Martine Blecher, of Fort Smith St. Anne's, held the individual lead in school football scoring today as the season headed into its last full weekend.

Blecher has scored 23 touchdowns and six extra points for 144 points in nine games to top Class A-pointsmen Thomas Taylor of Watson Chapel is second with 120.

Chester Storch of Little Rock Hall leads Big Nine Conference scoring with nine touchdowns for 54 points. Pine Bluff's Clayton McCaskill is second with 49.

Ken Hatfield of Helena is the pacesetter in Class AA with 11 points. Bob Nix of Benton has 96.

Lanny Casey of Harding fronts the Class B ranks with 122 points. Jeff Pride of Horatio has 118.

None of these, however, holds a candle to Vernon Reams of Gentry who has scored 163 points in the Northwest Arkansas eight-man football league.

Holdup Man Shoots Liquor Store Owner

LITTLE ROCK (AP)—Jeff Rice, 60, a liquor store operator, was shot in the neck Tuesday night by a Negro holdup man who escaped with about \$200.

Rice was reported in satisfactory condition at a hospital.

Rice's sister, Mrs. Earl Diemer of Benton, who was in the store with her brother, said the robber was leaving when Rice made a sudden move. She said she didn't know whether Rice was trying to get a gun, which was nearby.

The robber shot Rice with a small-caliber pistol from about four feet.

The liquor store is on Highway 65, a short distance south of the city limits.

No Soldiers to New Orleans Yet

AUGUSTA, Ga. (AP)—The White House said today it has no knowledge of any plans to send soldiers to New Orleans, La., to help control demonstrators protesting school desegregation.

Press secretary James C. Hagerty emphasized this in answer to a reporter who told him there were growing rumors that soldiers might intervene.

"Where do you think these rumors come from?" Hagerty shot back.

"The President is keeping in close touch with the situation. And that is all I have to say."

Kohler Company Official Killed

PHILADELPHIA, Wis. (AP)—Carl J. Kohler Sr., treasurer of the Kohler Co. of Kohler, has been killed in an explosion at his northern Wisconsin hunting lodge near Phelps. The sheriff's office said it had no details.

Unconfirmed reports said that the fatal explosion apparently took place several days ago at the secluded lodge.

Kohler, 55, son of former Wisconsin Gov. Walter J. Kohler Sr., and brother of Walter J. Kohler Jr., also a former governor, had been associated with the big family plumbing ware firm since he joined the staff as a research engineer in 1928.

Five Jailed in Counterfeit Money Ring

MUSKOGEE, Okla. (AP)—Five men and a woman were convicted Wednesday by a federal court jury of charges involving circulation of \$100 counterfeit bills.

The jury deliberated about three hours before returning the verdict against Samuel Alvin Tripp of Ellington, Mo.; his brother, Charles Clarence Tripp Jr. of St. Louis; Leonard Goforth Frank Looney Lauderdale, and his wife, Rose Bell Lauderdale, all of Muskogee, and Lloyd Junior Clopton, Port-Gibson, Okla.

Judge Ross Ritzley allowed Mrs. Lauderdale to remain free on bond but ordered the others held pending sentencing at an unspecified date.

The six persons along with John Archer of Dallas, a former Muskogee bootlegger, were indicted on nine counts each by a federal grand jury.

Archer pleaded guilty to all nine counts and testified for the government.

The jury convicted the Tripps of all nine counts, Goforth and Lauderdale on seven counts each, Clopton on four counts, and Mrs. Lauderdale on two counts.

Counts on which the defendants were convicted were conspiracy to circulate counterfeit bills and with possession of the notes. Other counts involved distribution of the bills.

A counterfeit \$100 bill was detected recently at Fort Smith, Ark., bank.

Leroy M. Lettner, agent in charge of the Secret Service office at Little Rock, said today the bill apparently was one of those made in the operation which led to the convictions here.

Says Kennedy to Get State Votes

LITTLE ROCK (AP)—Gov. Orval E. Faubus expects Arkansas' eight Democratic presidential electors to cast their votes for President-elect John F. Kennedy although they are not bound by law to do so.

Faubus gave this view while discussing the matter of unpledged electors at a news conference today.

Arkansas' Democratic electors pledged themselves personally to vote for Kennedy when they were nominated. There has been no indication of a change in heart since they were elected Nov. 8.

Faubus said that Georgia has 12 unpledged electors, Mississippi 8, Alabama 8, Arkansas 8 and Louisiana 11, a total of 43. This is enough votes, he said, to leave Kennedy short of the 269 electoral votes to needs to win the presidency.

Only the eight Mississippi electors and the six in Alabama won election as unpledged candidates. Electors in Georgia and Louisiana, like those in Arkansas, are personally pledged to Kennedy although not required by law to vote for him.

DOROTHY DIX

She Learned the Hard Way

By HELEN WORDEN ERSKINE

Dear Helen:

I married too young to really be in love. I found out the hard way. A few months ago I met a fellow and fell in love almost instantly. We saw each other every possible moment and I knew happiness like I could not imagine.

There really was never any hope for us, both being married and with six children between us. But we loved, then came the day we decided to stop! It has been two months since I have seen him, except as friends. I am in constant misery. I know there is no solution but I thought you could offer a word of encouragement.

I know what we are doing now is right, but it is hard to do the right way. Please help! —L. O. Dear L.O.: Noel Howard, the English dramatist, based a one-act play, "Brief Encounter" on a problem similar to yours. The man and woman return to the gray routine of their drab lives thankful for the interlude of happiness. To me it was a poignant and understandable situation. Like these two you have proved your desire to do the right thing. All I can say is, if you sincerely love, "God moves in a mysterious way His wonders to perform."

Dear Helen: Two years ago I fell in love.

I have been going with this certain boy off and on for two years. I think a lot of him, there is my problem. He never phones or talks to me unless he wants me to go out with him. I always say yes. Is it that he knows he can always turn to me if he can't get anyone else? Should I say no and see what happens? —An Inquisitive Girl

Dear Inquisitive Girl: Say no if it all but kills you. Play hard to get. The more elusive you are, the more eager he will be. It's the nature of the male.

Dear Helen: How much allowance should two girls, age 15 and 16 receive? We do the dinner dishes, help with the cleaning and do most of our own ironing. We would like at least enough money to bowl on school leagues, which is 70 cents a week, but we do not get this much. Please answer soon, this is important to us. —Two Teen-agers

Oral Arguments in Gambling Case

LITTLE ROCK (AP) — Oral arguments in an appeal filed by a Lonoke pinball machine distributor and a North Little Rock cafe owner are to be heard by the Eighth U.S. Circuit Court of Appeals at St. Louis today.

Charles A. Stewart and J.W. Singleton are appealing a ruling by Federal District Judge J. Smith Tenley that two pinball machines in Singleton's cafe are subject to a \$250 Internal Revenue Service gambling tax even though the two men said the machines were not used for gambling.

Churchill Is Reportedly Doing Fine

By EDDY GILMORE

LONDON (AP) — Sir Winston Churchill's doctor said today he is encouraged by the way the (though old statesman is bearing the discomfort of a broken bone in his back.

"He had a very good night and is resting in bed," said a medical bulletin issued by orthopedic surgeon Prof. Herbert J. Seddon.

To reporters standing in the rain outside Churchill's London home, Seddon added: "It's an encouraging bulletin."

The surgeon spent 90 minutes this morning with Sir Winston Churchill, who will be 86 on Nov. 30, has always been what is known in British understatement as a "difficult patient." He is impatient at being bed-ridden, grumpy, and rough on his doctors.

"Like always," said a member of his family, "he's being pretty difficult," which happily means he's being his old self.

The relative, who preferred not to be identified by name, said he understood that Sir Winston cracked a vertebra when he tripped over a rug in his bedroom last Tuesday night.

"Get well" messages flowed in to Sir Winston's home. They came from Queen Elizabeth II, Prime Minister Harold Macmillan, from citizens in all walks of British life and from admirers abroad.

Three doctors who examined the old statesman assured an anxious nation Wednesday his injury was "nothing serious."

Mrs. Kennedy Names Secretary

WASHINGTON (AP) — Mrs. John F. Kennedy's social secretary at the White House will be a friend of her school days who has had considerable experience in diplomatic circles.

Leticia (Fish) Baldrige of Washington said she was thrilled and excited about her appointment. She will take care of the White House social office, which handles everything from formal state dinners to answering mail for the first lady.

Miss Baldrige, a tall blonde now in her early 30s, was in Vassar with Mrs. Kennedy. They continued their friendship at the Sorbonne in Paris.

Miss Baldrige, daughter of former Rep. H. Malcolm Baldrige, served as secretary to former Ambassador Clare Boothe Luce in Rome and to the wife of former Ambassador David Bruce in Paris.

Extradition Is Waived by Man

LITTLE ROCK (AP) — A man Cleveland, Ohio, police called a "Nationwide confidence man" Wednesday waived extradition to Cleveland, where he is charged with larceny by trick.

Howard Lewis Pedersen, 45, last February jumped \$2,500 bond on a charge of collecting \$11,100 for meat he did not deliver. Cleveland police said estimates of Pedersen's swindles ranged up to \$100,000.

Big Boom Caused by a Bomber

LITTLE ROCK (AP) — A sonic boom fell over a wide area of central Arkansas Wednesday night was caused by a B-50 bomber breaking the sound barrier, a spokesman at the Little Rock Air Force Base said.

It was the second such incident of the day, the spokesman said, the earlier boom, about 2:50 a.m., apparently was not heard over a wide area.

The second boom, shortly after 10 p.m. was heard in Cabot, Little Rock, Hot Springs and elsewhere.

Three Held for Raping Woman

YAZOO CITY, Miss. (AP) — Three young white men (who were held without bond after being charged with rape in an at-

tack on a 42-year-old Negro woman and her 5-year-old daughter, Dist. Atty. Bill Waller identified the men as Bobby Smith, 20, Charles Coffey, 20, and his brother, Louis Coffey, 22.

Rape in Mississippi is punishable by either death or life imprisonment.

Seeks Quick Passage of Rights Bill

WASHINGTON (AP) — Sen. Clifford P. Case, R-N.J., said today a bipartisan Senate group will start maneuvering the first day of the new Congress to enact civil rights legislation.

Case told reporters he and other Republicans who want broader or federal laws to protect rights of Negroes and other minorities will develop their strategy in meetings here next month. He said they also planned to reach an alliance with Northern Democratic senators sharing their views.

The first move, he said, will be to challenge as soon as Congress convenes Jan. 3 a Senate rule adopted early in 1958. It provides that a time limit on Senate debate—death knell to a filibuster—can be imposed by no less than two-thirds of those present and voting.

Win or lose on that issue, Case said, the group will press later for legislation to fulfill civil rights campaign pledges in the Kennedy and Democratic platforms.

Case expressed confidence President-elect John F. Kennedy will throw his weight behind the drive for more civil rights legislation. "I would be surprised and deeply disappointed if he did not," the senator said.

Says Wilt's Free Throw Record Sad

By GEORGE ESPER

Associated Press Sports Writer
PHILADELPHIA (AP) — Dolph Schayes, the National Basketball Association's all-time scorer, charged today that "any high school kid could do better" than Wilt Chamberlain's poor 9-for-27 at the foul line Thursday night.

Chamberlain, the 7-foot-1 star of the Philadelphia Warriors, and missed 18 foul shots as the Warriors lost to Schayes and the Syracuse Nats, 106-105. His 27 attempts tied an NBA record, as he scored 45 points.

"It's ridiculous, he missed so many," said Schayes. "But thank God he did. Any high school kid could do better than that and this guy is a pro-making several thousand dollars."

"All he has to do is practice a little. If he practiced 100 shots every day for a month he'd be twice as good as he is. He obviously has no confidence."

"Confidence, which comes from constant practice over the years, is 90 per cent of the battle," the 32-year-old star forward said after he had sunk eight field goals and six of seven free throws for 22 points in the victory over the Philadelphia Warriors.

Two of Schayes' free throws put Syracuse ahead for good at 104-103 with 52 seconds remaining. Philadelphia, dropping its fourth in a row after winning nine straight, lost the game at the foul line.

Meanwhile, as the Warriors' losing streak continued, Detroit had its winning streak snapped at four games. In the opener of the Convention Hall doubleheader, Detroit dropped a 112-105 contest to St. Louis; Western Division leader, Bob Pettit, Clyde Lovellette and Cliff Hagan each scored 26 points for St. Louis while Pettit chipped in with 31 rebounds. High man for Detroit was Gene Stue with 25 points.

Bobcats Close Home Season Here Tonight

By Vince Foster
Hope Star Sports Writer

Tonight at 8 o'clock the Hope Bobcats will play their final home game with an old rival, the Arkadelphia Badgers. Hope has beaten the Badgers every year for the past seven years and have a total of 231 points to their 38 during this period. Arkadelphia hasn't scored on Hope in three years.

This year the Badgers made its debut in district 7A after spending many years near the cellar of district 4AA. They probably have one of their best teams in over a decade this season, so it might seem as if the Badgers got out of 4AA district too soon. They presently lead their district and are enjoying a 5-1-0 district record and a 14-0 record in all games. The Badgers have upset three of the teams Hope plays in their regular season including Smackover, Nashville and DeQueen.

Arkadelphia's line averages 170 pounds and their fast backfield averages 160 pounds.

The Cats have had a week's rest and they have said determinedly that they were going to beat the Badgers tonight. Curtis Churchill seems to be the only injured player. He is still limping from an ankle injury received in the Conway game but will probably start at end position. Coach Pierce sincerely urges all who can to please help fill the stands tonight at the Bobcats' final home game including adults and students.

The Hope Band, pep squad and cheerleaders have been the loyal and ever present supporters in the student section this season. There have been times when the seats in that section were not full. What if only a part of the team reported to play one of our games this year? Let's all turn out tonight loaded with that old Bobcat spirit that has made the Bobcats and fans famous when their fellow friends and students were 100% behind them. The Hope Booster Club will be well represented tonight along with all the other fine local Bobcat Boosters. Let's be a twelfth man tonight and cheer the Cats in an exciting victory.

Guernsey Wins Pair in Three Games

By HAROLD V. RATLIFF
Associated Press Sports Writer

Texas Tech, limping toward a mediocre season, holds most of the fate of the Southwest Conference in its hands Saturday.

The Red Raiders could do strange things to the football, if they beat Arkansas for the first time in history.

Arkansas, with a 5-1 record and closing the campaign, will clinch the Cotton Bowl host spot and gain no worse than a tie for the conference championship for the second season in a row if it beats the Raiders.

But if Texas Tech knocks down the iron-fisted PORKERS, Arkansas could not only lose even a share of the title but the Cotton Bowl spot as well.

It's a typical Southwest Conference finish with only daylight separating the top four teams.

Rice with a 4-1 record and able to at least tie for the title by winning its two remaining games, tackles tough Texas Christian at Houston but will be casting an anxious eye toward Lubbock where Arkansas jousts with Tech.

TRIAL BY SLANDER

By Travis Macrae

THE STORY: The fact that someone shot an arrow at Janet Hamilton seems unbelievable. The deadly object missed her by inches. She did not report the episode to police because she would ask where the arrow came from. She would have to say the bow and arrow were a present from Dr. Jason Whitting to her small boy. Dr. Whitting is a married man who has asked Janet to become his wife as soon as he can obtain a divorce.
